4. SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY

** Disclaimer : In regards to all financial aid references throughout this policy, please note - At this time, this institution is not approved to offer Title IV, HEA program funds.*

The Satisfactory Progress Policy is consistently applied to all students enrolled at the school in any program and in any schedule. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

EVALUATION PERIODS

All programs operate on a 900 clock hour academic year over 32 academic weeks. Evaluation will take place once the stated hours and associated weeks have both been met. Students are evaluated based on actual hours for Satisfactory Progress as follows:

Cosmetology: 450 hours & 16 weeks; 900 hours & 32 weeks; 1200 hours & 42 weeks
Esthiology: 375 hours & 13 weeks
Instructor: 250 hours & 9 weeks

Following the conclusion of each evaluation period, all evaluations will be completed within seven (7) school business days. This includes providing the results to the students. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. All elements of satisfactory academic progress are calculated on a cumulative basis.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory progress is stated below:

COSMETOLOGY: -1500 hours

Minimum: 54 weeks; /Maximum Time Frame - 67 weeks / 1875 clock hours

ESTHIOLOGY: -750 hours

Minimum: 27 weeks; Maximum Time Frame 34 weeks / 937.5 clock hours

Instructor: - 500 hours

Minimum: 18 weeks; Maximum Time Frame 22 weeks/ 625 clock hours

Students who exceed the maximum time frame will be terminated from the program. Thereafter, the student is permitted to re-apply for re-entry into the program on a cash pay basis by following the re-enrollment policy.

ACADEMIC PROGRESS EVALUATION

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated at the same intervals as attendance.

Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better. If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. Comprehensive practical skills evaluations will be conducted during the course of study.

Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a cumulative written grade average of 70% comprised of academic and practical. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Excellent	100%-80%
Satisfactory	79%- 70%
Unsatisfactory	69%-0%

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. If a student is NOT making satisfactory progress at evaluation time, the student will be placed on warning status. Students will be notified of all evaluation results. Satisfactory academic progress evaluation results are maintained by and available for review in the financial aid office.

WARNING

Students who do not meet minimum requirements for attendance and academic progress at an evaluation period are placed on warning until the next scheduled evaluation, and are eligible for financial aid while in the warning period. If, at the end of the warning period, the student has not met both the attendance and academic requirements, the students will be deemed to not be making satisfactory progress and all financial aid will be terminated and the student may be subject to termination from the school.

PROBATION

Students who do not meet minimum requirements for attendance and academic progress at the end of the warning period may appeal the negative satisfactory progress determination and must prevail on the appeal before being placed on probation. Additionally, only students who have the ability to meet satisfactory progress by the end of the probationary period may be placed on probation. The student will be provided a written academic plan outlining the actions required to attain satisfactory academic progress by the next evaluation. If, at the end of the probationary period, the student has still not met both the attendance and academic requirements, he/ she will be determined as NOT making satisfactory academic progress and, if applicable, will not be eligible to receive Title IV funds and will be terminated from school.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory progress, the student may appeal the determination. The student must submit a written appeal to the school, within 10 days of the negative determination, with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Reasons for which a student may appeal are death of a relative, injury or illness of the student, or other allowable special circumstances. Acceptable supporting documentation includes, but is not limited to an obituary, death certificate, physician's statement, police report, attorney's letter, or other third-party professional documentation on official letterhead or notarized that covers the period of difficulty. Appeal documents will be reviewed at a hearing within five days of the receipt of the written appeal. The Financial Aid Director will notify the student of the decision within three business days of the hearing. The appeal and decision documents will be retained in the student file.

RE-ESTABLISHMENT OF SATISFACTORY PROGRESS

Students who are receiving Title IV Funds and who have not achieved satisfactory progress by the end of the probationary period in either academics or attendance will not be eligible for Title IV Aid until satisfactory progress have been achieved. Once federal monies have been terminated, the balance of the tuition owed in the responsibility of the student. Students may re-establish satisfactory academic progress, as well as Title IV aid (as applicable) by meeting the minimum attendance and academic requirements by the end of the warning or probationary period. Students may utilize the Make Up Policy to aid in raising their academic and attendance averages.

- Complete all workbook assignments
- All phase chapter tests must average a 70%
- Complete all phase techniques with a passing evaluation

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and later re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT AND REMEDIAL COURSES

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory progress standards.

TRANSFER HOURS

The Ritz Academy doesn't currently accept transfer hours.

5. LEAVE OF ABSENCE POLICY

An approved leave of absence is permitted when a student follows this formal policy, and when the request is based upon medical, emergency, crisis, or other personal extenuating circumstances.

Approved Leaves:

A student may be granted more than one leave of absence in any 12-month period, as long as the total combined leave time does not exceed 180 calendar days within

that timeframe. The minimum number of days requested for a Leave of Absence must be one calendar week. A request for a leave must be submitted in advance unless unforeseen circumstances prevent the student from doing so. The request must be in writing, include the student's reason for the LOA, with the date of expected return specified, and the student's signatures. The Ritz Academy may grant a LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances. In these instances, the Ritz Academy will document the reason for the decision and collect the request from the students at a later date. The start date of such approved LOAs is the first date the student was unable to attend. If a student takes an unapproved leave or does not re-enter by the return date specified in the leave with no notification to the institution for the need of an extension, the student's enrollment agreement will be terminated, and he/she will be granted a refund according to the refund policy. The withdrawal date for the purpose of calculating the refund is the last date the student attended class. Students who return from a leave of absence must return to the same schedule they were attending prior to the leave. The students contracted graduation date and their maximum timeframe will be extended by the same number of calendar days taken in the leave of absence. Changes to the contract period will be made to the enrollment agreement and initialed by all parties, OR will be identified on an enrollment agreement addendum, which must be signed by all parties. Students will not be assessed additional institutional charges as a result of a leave of absence.

If a student must take a leave, the student must:

- Apply for the leave in writing through the Admissions Director.
- Leave must be approved by the Financial Aid Department.

Students who are granted an LOA in accordance with this policy are not considered to have withdrawn and no refund calculation is required at that time. If a student's leave of absence is NOT approved, and the student needs to be absent, the student will have to withdraw and apply for re-enrollment when the student is able to return. All drop/refund policies will be applied. Any leave of absence is subject to the approval of the Admissions Director. Due to the nature of the curriculum in the Intro Phase, there will be no leaves of absence granted during this phase. Cosmetology students in the intro phase who miss more than 73 hours will be required to repeat the phase unless the student can demonstrate competency in all technical aspects of the Intro Phase. Esthiology students who miss more than 73 hours in Intro phase will be required to repeat the phase unless they can demonstrate competency in all technical aspects of the Intro Phase. Instructor students who miss more than 73 hours in the Intro phase will be required to repeat the phase unless the student can demonstrate competency in all technical aspects of

the Intro phase. There is a \$1,000 charge to repeat the phase and this charge may not be paid with Title IV funds (if applicable). Prior to repeating the phase, the fee must be paid in full or arrangement secured through TFC Financing.

NO LEAVE OF ABSENCE SHALL EXCEED 180 CALENDAR DAYS in any 12-month period.

Additional Information:

Students must remove their belongings from their assigned locker before taking a leave of absence. Please note that any student who fails to return to the school at the end of an approved leave of absence is considered to have withdrawn from the school. Locker contents will be held for 10 days after the drop date, after which they will be discarded.

INSTITUTIONAL REFUND POLICY

The following policy applies to all terminations for any reason, by either party, including student decision, course or program cancellation, or school closure.

Enrollment is defined as the time elapsed between the student's actual starting date and last day of physical attendance in school.

All refund calculations are conducted timely, within thirty (30) days of a withdrawal determination. Any monies due the applicant or student who withdraws from the institution shall be refunded within thirty (30) days of a determination that the student has officially or unofficially withdrawn.

Official cancellation, termination, or withdrawal shall occur no more than fourteen (14) days from the last day of physical attendance, and shall occur on the earlier of the dates that:

1. An applicant is not accepted for enrollment by the school. The applicant shall be entitled to a full refund of all monies paid with an exception of the non-refundable application fee of \$100.

2. A student (or in the case of a student under legal age, his/her parent or legal guardian) cancels his/her enrollment agreement and requests his/her money refunded, in writing, within three (3) business days of signing an enrollment agreement or contract, regardless of whether the student has actually started training. All monies collected shall be fully refunded with the exception of the non-refundable application fee of \$100.
3. A student cancels his/her enrollment agreement after three (3) business days after signing, but prior to entering classes. The student shall be entitled to a refund of all monies paid to the school less the non-refundable application fee of \$100.
4. A student notifies the institution of his/her withdrawal.
5. A student on an approved leave of absence notifies the school that he/she will not be returning. The date of withdrawal determination shall be the earlier of the scheduled date of return or the date that the student notifies the institution that he/she will not be returning to school.
6. A student is expelled by the school.

In type 2, 3, 4, or 5 official cancellations or withdrawals, the cancellation date will be determined by the postmark on written notification, or the date said information was delivered to the school administrator/owner in person. Notice of cancellation or withdrawal must be in writing.

The following also applies:

- For students who enroll in and begin classes, refunds are determined by a formula using a percentage of scheduled hours enrolled plus a termination fee of \$150 (see the schedule below). The percentage of time enrolled is calculated by dividing the number of scheduled hours enrolled as of last date of attendance by the total number of hours in the course. The following schedule of tuition adjustments is used:

Percentage of Scheduled Amount of Tuition		
Time to Total Course		Owed to School
0.01% to	4.9%	20%
5.00% to	9.9%	30%

10.00% to 14.9%	40%
15.00% to 24.9%	45%
25.00% to 49.9%	70%
50.00% to 100.0%	100%

- The refund will be calculated based on the student’s last day of attendance and amount of scheduled hours, regardless of the method of official or unofficial withdrawal.
- If a student is absent 14 consecutive calendar days the student will be considered withdrawn. Student attendance is monitored every 30 days to determine unofficial withdrawals.
- When situations of mitigating circumstances are in evidence, the school may adopt a policy wherein the refund to the student may exceed the “schedule of tuition and adjustment.”
- The cost of the books and supplies is not included in the tuition adjustment computations. These items become the property of the student when issued and are non-refundable.
- Students who terminate prior to course completion will be charged a \$150 termination fee and the school will not release the student’s transcript until all balances have been paid in full.
- If the school closes permanently and ceases to offer instruction after students have enrolled, and instruction has begun, the school shall provide a pro-rata refund.
- If a program or course is cancelled subsequent to a student’s enrollment, and before instruction in the program has begun, the school shall, at its option:
 1. Provide a full refund of all monies paid; or
 2. Provide completion of the course.
- If the school cancels the course and/or program and ceases to offer instruction after students have enrolled and instruction has begun, the school shall at its option:

- Provide a pro rata refund for all students transferring to another school based on the hours accepted by the receiving school; or
- Provide completion of the course and/or program; or
- Participate in a Teach-Out agreement; or
- Provide a full refund of all monies paid.

Family Education Rights and Privacy Act Policy: (*FERPA*)

In accordance with the Family Education Rights and Privacy Act, it is the policy of The Ritz Academy to maintain confidentiality of information entrusted to it by eligible Students, prospective Students or parent/guardian(s) of a dependent minor child. Therefore, prior to each release of information an "Authorization for Release of Information" form must be filled out by the eligible Student for every request of Student information to a third party. Information is released only on the condition that the party to whom the information is disclosed will not disclose the information to any other party without the prior consent of the eligible Student, parents/guardian. An "Authorization for Release of Information" form is not required, for Students, prospective Students, or parents/guardian(s) of dependent minor Students wishing to review their own records, or for legal or accreditation purposes. School staff members and administrators who the School deems to have a "legitimate educational interest" have access to Students' information, as required, to perform duties that are specific to their position. Section 99.37 of FERPA permits the School to disclose, upon request, directory information without the Student's consent unless the Student has otherwise directed the School in writing. Directory information may include Student's name, address telephone number, date and place of birth, field of study, dates of attendance (meaning a period of time during which a Student attended and not specific daily records of a Student's attendance) and degrees/awards received. FERPA also permits release of personally identifiable, non directory, information in connection with a health or safety emergency that presents imminent danger. Student or parent/guardian complaints regarding alleged FERPA violations can be filed in writing with the U.S. Department of Education's Family Policy Compliance Office.

A Student, or parent/guardian of dependent minor Student, may review the Student's record by contacting the Director to make an appointment. The Director will be present during the review to provide supervision and interpretation. A Student shall

be permitted to review his/her record on file with the School within seven (7) days after the School has received the Student's written request to review his/her records in accordance with the manner set forth in this catalog or any supplement to this catalog. An eligible Student, or parent/guardian of a dependent minor Student, may seek to amend education records that the Student or parent/guardian believes to be inaccurate, misleading, or otherwise in violation of the Student's privacy rights. The School will make a determination on the Student's request for amendment within 30 days of the request. If the School agrees that the information is accurate, misleading, or otherwise in violation of the privacy rights of the Student, the School will amend the record accordingly and inform the parent or eligible Student in writing that the record was amended. If the School decides not to amend the record, the Student has a right to a hearing within 30 days of the denial. The School will notify the parent or eligible Student of the time, date and place of the hearing. The decision of the hearing will be sent to the parent or eligible Student in writing and will be based solely on the evidence presented in the hearing. If the decision not to amend the record is determined, the parent or eligible Student has the right to place a statement in the Student's file contesting the information in the record.

Policy for Safeguarding Student Information:

The school is committed to implementing and maintaining a comprehensive information security program, to maintain and safeguard your non-public personal information against damage or loss. The policy follows FERPA guidelines and covers all student records in whatever form (hard copy, electronic).

The School Director shall be responsible to coordinate the school's information security program. The Director shall, at least once every three (3) years, assess foreseeable internal and external risks to the security, confidentiality, and integrity of student information that could result in the unauthorized disclosure, misuse, alteration, destruction or other compromise of the information. The risk assessment shall cover every relevant area of school operation, including employee training & management, network & software design, information processing storage, transmission and disposal, and ways to detect, prevent, and respond to attacks, intrusions, or other system failures. The Director shall design and implement safeguards to control identified risks and shall monitor the effectiveness of them, recommending changes when warranted.

Records for prospective students who are not accepted, or who do not enroll in the school, will be held for 12 months then destroyed in a secure manner. Records of enrolled students shall be maintained in accordance with federal law, state law and accreditation requirements. Students shall receive notice of this policy at the time they enroll.

The school shall only enter into service agreements with service providers who also maintain appropriate safeguards for customers' non-public personal information. Cumulative education records/transcripts of the student's academic or coursework at the school shall be retained permanently in either hard copy form or in an electronic database with backup for each student after graduation or termination.

Grievance/ Complaint Policy and Procedure

In accordance with the Institutions objectives, The Ritz Academy will make every effort to resolve student grievance. The school is committed to providing a sound and positive educational and maintains an open-door policy regarding grievance. All students have the right to voice concerns and expect appropriate corrective action to any issue that may be interfering with the educational process, or to receive an explanation of why the issue is not applicable. Therefore, the school has adopted the following procedures:

- 1) A student is first encouraged to verbally discuss any concerns/grievances with his/her instructor.
- 2) If the concern/grievance is not resolved after this discussion, then the student must complete a complaint form. This form is to be submitted to the school Admissions Director.
- 3) Once the school Admissions Director has conducted an investigation into the matter, a meeting between the Instructor and student is scheduled to discuss the grievance and findings of the investigation within 3 days of receiving the grievance. The meeting is documented within the student file. If the matter is resolved, the resolution is documented and signed on the applicable area of the complaint form.
- 4) If the matter is not resolved during the initial meeting, the grievance will be escalated to the Director for continued investigation. Once the Director has completed the investigation, a second meeting between the Admissions Director, Instructor, and the student is scheduled to discuss the findings and resolution. Every attempt will be made to have the final response/meeting within 5 days of the grievance being escalated. The meeting is documented within the student file. If the matter is

resolved, the resolution is documented and signed on the applicable area of the complaint form.

- 5) If the student is unsatisfied at the conclusion of this process, a grievance may be filed with the school’s accrediting agency or other oversight agencies. A record of grievances and procedures used to resolve issues will be maintained for the purpose of institutional improvement.
